Growth & Experience

Over the past 35 years, Fard has experienced remarkable growth, leveraging our enriched experience in the import, export, and wholesale trade of dried fruits, nuts, shelled nuts, seeds, and spices. Our extensive global network and stringent quality assurance measures have established us as a trusted name in the industry, known for the outstanding reputation of our products and service level.

Our Goals

**Lead innovation in
nut processing in
the region**

**Expand presence in
global markets**

**Maintain
uncompromising
product quality**

**Support
sustainability and
ethical practices.**

Fard Foodstuff Factory

Pioneering Excellence in Nut Processing

Fard Foodstuff Company proudly operates the **first specialized pistachio and walnut shelling facility in the Persian Gulf region**, setting new standards in quality, innovation, and efficiency.

Our factory is equipped with state-of-the-art machinery and advanced processing lines, allowing us to maintain strict control over product quality from raw material to final packaging.

Key Capabilities

- 1 Two high-capacity shelling lines for pistachios and walnuts, with a combined throughput of up to 300 kg per hour
- 2 Advanced sorting, separating, and grading systems to ensure product consistency and purity
- 3 Modern packaging lines designed for flexibility, hygiene, & consumer -ready presentation
- 4 Temperature -controlled warehouse equipped with a professional cooling system to preserve freshness and extend shelf life

Core Operations

Shelling & Packaging of Nuts

We operate two dedicated shelling lines specialized for pistachios & walnuts, ensuring efficient processing and preservation of quality before packaging.

Roasting & Retail Packaging

Our in-house roasting facilities allow us to prepare a variety of nuts to perfection. We then package them in consumer-friendly formats, ready for retail distribution.

Nut & Dried Fruit Trading

We actively engage in the procurement & distribution of high-quality, pre-packed nuts and dried fruits across domestic and international markets.

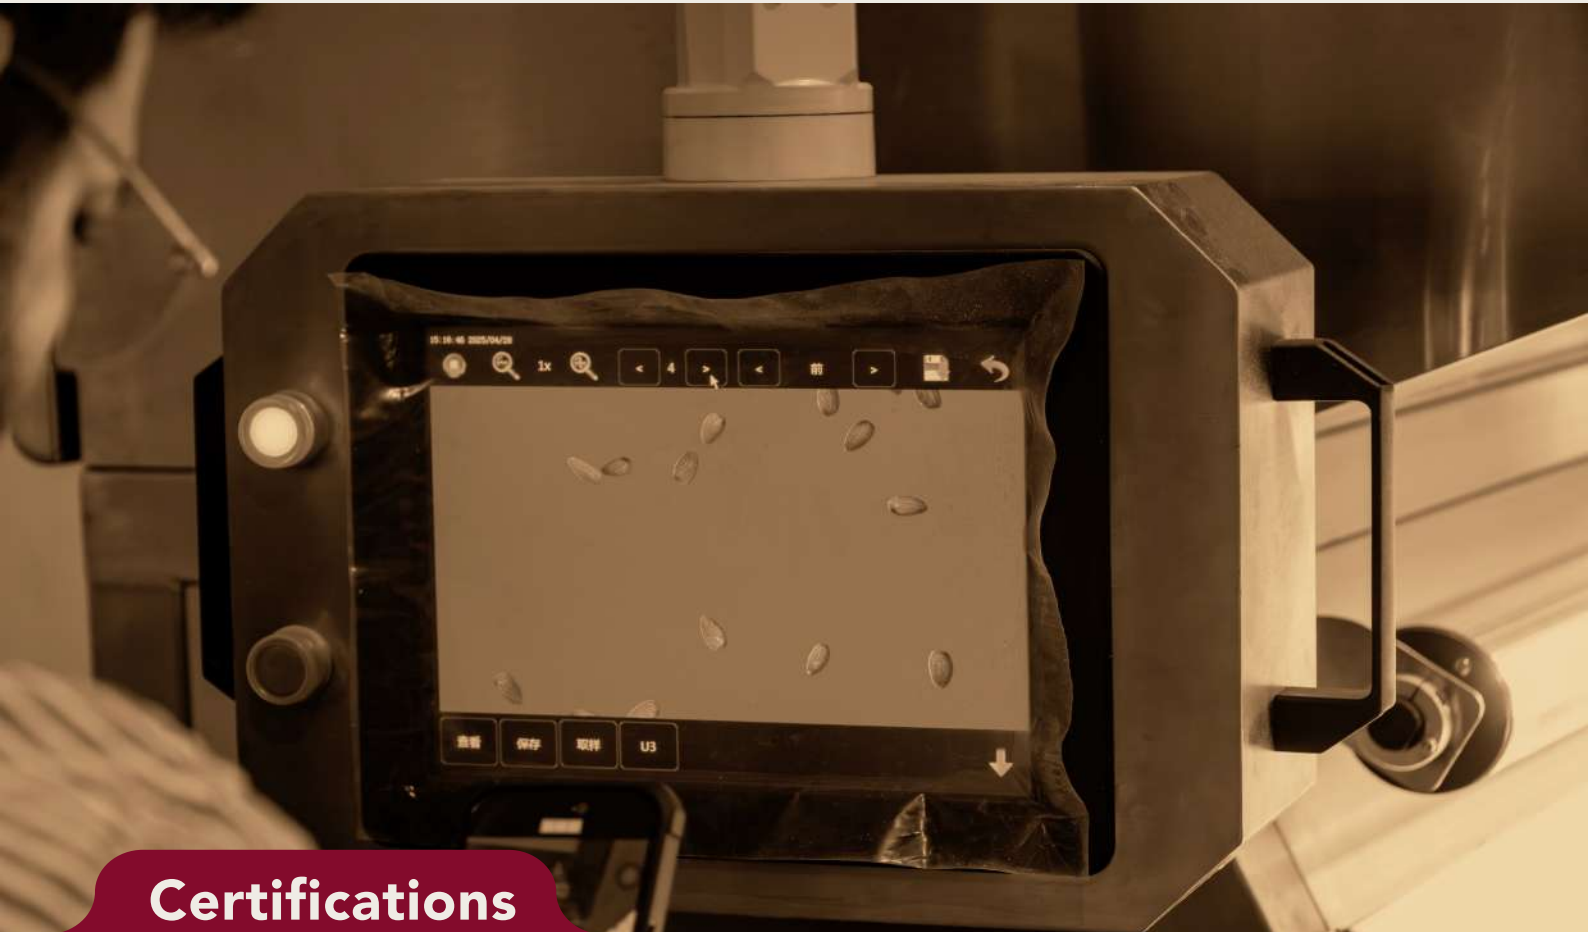

Cold Storage Solutions

We offer secure, temperature-controlled warehousing for food products, ensuring freshness and compliance with safety standards throughout the supply chain.

Expert Team

At Fard, we rely on a team of highly educated and experienced professionals, each bringing years of industry knowledge and technical expertise to our operations. Their dedication ensures that every batch meets our exacting standards.

Certifications

Our facility is fully compliant with international food safety regulations, proudly holding both:

HACCP (Hazard Analysis and Critical Control Points)

ISO 22000 – Food Safety Management System

With a strong infrastructure, cutting-edge equipment, and a skilled workforce, Fard Foodstuff is uniquely positioned to secure a leading share in the regional market and beyond
